

Amend **SB 823** by adding subsection (1) between Page 3, line 27 and Page 4, line 1 as follows:

(1) The chief of a designated police agency shall submit to the director of the Department of Public Safety a written report of expenditures made by the designated police agency for the purchase and maintenance of a pen register, ESN reader, or similar equipment, authorized pursuant to subsection (i). The director of the Department of Public Safety shall report such expenditures publicly on an annual basis via the department's website, or other comparable means.
